

We, of The United Church of Moscow, are delighted to announce the hiring of our new Pastor, Joanne (Jodie) Cooley. Ms. Cooley comes to us from Walnut Creek, California and her first Sunday in our pulpit will be October 18, 2009. She has a Bachelor of Music Therapy from the University of Wisconsin, Eau Claire, an MS in Business from Cardinal Stritch University, Milwaukee, and a Master of Divinity from the American Baptist Seminary of the West, Berkeley, California. She has a varied work history involving music therapy, community action projects and hospital chaplaincy as well as being an associate pastor.

Ms. Cooley comes to us bringing enthusiasm and expertise with the skills to guide our spiritual growth and to implement the projects our congregation identified in our Visioning Session last fall.

Come and join us in worship at 11:00 am on the 18th and welcome Ms. Cooley to our congregation and city.
